****Won passes cannot be transferred to another individual or year, and carry no cash value****

General Liability Waiver

I understand that dancing is both physical and athletic, and therefore poses some natural risks, for which I accept full responsibility. Furthermore, I agree not to hold CMDance, its board members or its organizers legally or morally responsible for any injury or mental discomfort I experience under any circumstance.

Therefore, I hereby waive any and all liability claims against CMDance, its organizers, board members, their agents and instructors or their agents for any and all injuries which I might suffer during, and/or as a result of, my participation in the event and its surrounding areas and parking lots. I also assume all responsibility and liability for any injuries I might suffer, or cause, during, and/or as a result of my participation in the event, and its surrounding areas and parking lots.

Furthermore, I absolve CMDance, its organizers, their agents and instructors or their agents of any and all responsibility for future injuries I might suffer or cause as a result of my participation in the event, and its surrounding areas and parking lots.

By executing this waiver, I state that I am in good physical and mental health and know of no reason why I should be unable to fully participate in all event activities in which I partake.

Photo/Video Waiver

I understand that CMDance intends to record participation in the classes, dances, and special events on video and in photographs. I expressly grant CMDance the unlimited right and authority to use any such recording in any and all media in which I appear by whatever ways or means with no obligation to me. Such recordings are the sole property of CMDance.

CMDance's Right to Refuse & Terms

CMDance holds private events and may refuse admission to any individual if it believes they pose a threat to any other attendees.

CMDance reserves the right to update these Terms and Conditions at any time and will update our registrants with the new version when and if that occurs.
